

# Roosevelt International Middle School Parent Connect

## What is ParentConnect?

ParentConnect is a web-based application that allows parents to see read-only information about their students. The only information a parent can edit is their password and email address.

## What type of information will be available on Parent Connect?

Academic History, Attendance, GPA data, Report cards/progress report grades, Student demographics, Student Schedule

## Who can have access to student data in ParentConnection?

Any person who is on the enrollment card can request a ParentConnect account.

## What are the technical requirements for viewing ParentConnect?

ParentConnect is a web-based application. Parents will need a computer (Mac or PC) with Internet access and a current web browser.

## How does a parent receive an account?

The school enrollment card must be filled out completely and correctly. A person listed on the enrollment card must fill out the request below. Once the request is verified, a login and password will be emailed to the account below.

## Who do I return the form to?

The Roosevelt International Middle School Main Office to Daniza Oviedo, Parent Academic Liaison (619-293-4450 ext. 2203).

## What if I need assistance or information?

Parents may email Ms. Oviedo at [doviedo1@sandi.net](mailto:doviedo1@sandi.net).

- Although I am providing my email address, **I do not** wish to receive weekly announcements from Roosevelt Middle School.*

I have read and agree to the acceptable use policy of the San Diego Unified School District found at [http://www.edtech.sandi.net/index.php?option=com\\_content&task=view&id=93&Itemid=410](http://www.edtech.sandi.net/index.php?option=com_content&task=view&id=93&Itemid=410).

I request a ParentConnect account and understand that an email will be sent to the above email address with the login and password to view this student's data. I also understand that an account will be set up only if the information above matches the information on the enrollment card.
